

Welcome to the Milford Urban Trail! This marked trail system consists of sidewalks and paths that take you along the Little Miami River, by historic downtown Milford, and through several charming neighborhoods. The trail also provides easy access to many of Milford's schools, parks, restaurants, and shopping areas.

Goals & Benefits

Some of the goals and benefits of the Milford UT include:

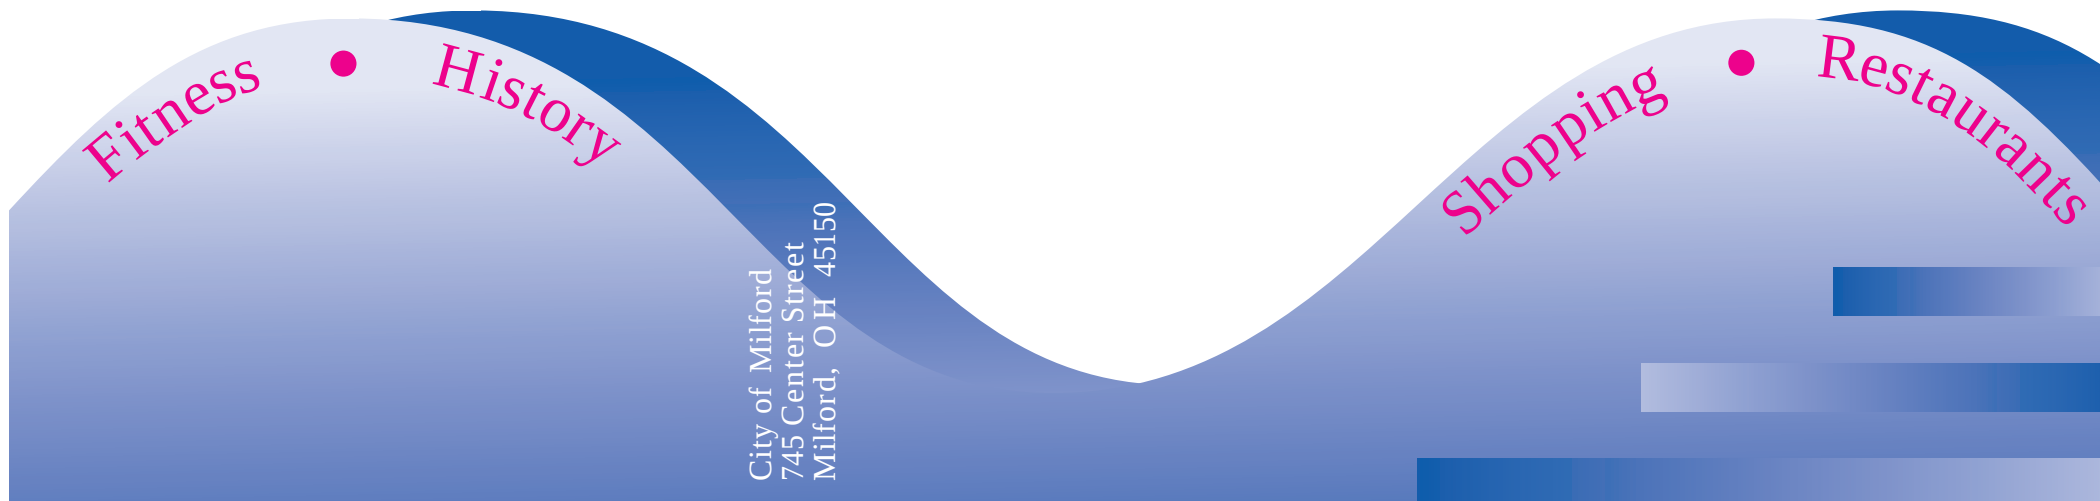

- Providing opportunities to exercise and socialize
- Learning more about our community's history
- Providing safe pedestrian connections between neighborhoods, schools, parks, and other community resources, including historic downtown Milford
- Increasing people's awareness of Milford's unique natural and cultural resources
